No problem. I'll have one of my guys do it first thing tomorrow.

v/r,
Jon

Jon,

I have essentially doubled my resources working the spill at this time. I currently have 4 START Contractors and 2 EPA personnel onsite. Approximately 10 miles of creek have been impacted from the spill point to Caddo Lake. I am requesting that the ceiling on the FPN be raised from \$100,000 to \$300,000. Thanks in advance for your assistance on this project.
